David Bienenstock, Editors of High Times Magazine : The Official High Times Pot Smokers Handbook: Featuring 420 Things to do When You're Stoned before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official High Times Pot Smokers Handbook: Featuring 420 Things to do When You're Stoned:

1 of 1 people found the following review helpful. Binding has fallen off cover within an hour of reading bookBy Craig WilhelmyI loved this book. The content is hysterical and a quick read.However, I received this book today and already the binding has fallen off the cover. This is the reason I gave the product 2 stars. It's a BRAND NEW book and I've

been reading it for maybe 2 hours and already the binding has come off the spine. I have not dropped this book nor do I generally treat my belongings with anything short of TLC. I have just attempted to read this book and flip pages gently, but the whole binding has come off. I am not happy about this. The book is definitely a must have for anyone 420-friendly. I would recommend buying it in a store where you can physically examine the book before you buy it. Make sure you check the spine on your copy. 0 of 0 people found the following review helpful. Great book! By Bronx420A friend of mine had one of these books and I was glad to finally have one of my own. The content is awesome. Lots of cool pictures and of course the 420 things to do while stoned. My only problem was the condition of the book I purchased. I didn't get a used book and it's only been looked through a handful of times but the cover isn't holding together very well which also makes the book want to fall apart altogether. I'm not sure if I just got a dud book or what but other than that detail, I've been happy with my purchase :) 0 of 0 people found the following review helpful. Legal here now By Suenvegas Bought for a gift. This book is filled with information. Even recipes. A great conversation item to have sitting around now that it is legal here in Nevada. Great book to check out!

Since 1974, High Times magazine has covered marijuana in all its aspects and wonders, from cultivation to legalization to the herb's enduring (and exalted) place in popular culture. Packed with inside information, The Official High Times Pot Smoker's Handbook rolls up all of this collected wisdom into one indispensable ganja guide. With a life-changing list of 420 things to do when you're stoned, this is truly, finally, the ultimate guide to green living.

CLEVELAND SCENE Working with the editors of High Times magazine, author David Bienenstock has put together an engaging mix of facts, funnies, how-to and cultural observation that would make for what teachers and counselors call a well-rounded student. REASON MAGAZINE this copiously illustrated, easily digestible book is filled with useful and entertaining features... About the Author David Bienenstock, the executive editor of High Times magazine, has traveled the world to write about cannabis sativa. He lives in New York City.
