Scrabble Players Dictionary, New 5th Edition (mass market, paperback) 2014 copyright:

11 of 11 people found the following review helpful. Check price in a few places before you buy  
By Sally Pini  
Dictionary met expectations but when I received the book I noticed the preprinted price on the jacket was about half of what I paid. Not happy about paying twice the publishers price. Last time I will trust without checking out price a bit more before I buy.  
1 of 1 people found the following review helpful. it is a great price and exactly what I was going to find  
By cassie  
My family loves playing Scrabble, especially over the holidays. While playing this year, we realized that our Scrabble dictionary was very outdated. I didn't to surprise my mom with a new for her birthday and was so surprised when I found this one on ! it is a great price and exactly what I was going to find! my mom loves it!  
1 of 1 people found the following review helpful. Very helpful reference  
By Good Shopper  
Having played Scrabble off and on for years and used opponent's dictionary, I finally decided to get my own. Don't understand why some words are "legal" but it's a good aid for learning new words. For people who really enjoy playing Scrabble, strongly recommend. However, our more favorite word game is KEESDROW which can be played with so many variations and at such varied levels of difficulty that it's wonderful for kids or for adults, or even played by just one person. And it can be played for a few minutes or longer, as desired. We never end a Scrabble game until all the letters are used, but sometimes it's not selected for game time because it can take so long.

This best-selling SCRABBLE dictionary is the only resource book that millions of SCRABBLE players consider necessary. It offers more than 5,000 new entries and has more than 100,000 playable two - to eight-letter words, including variant spellings with expanded coverage of Canadian and British words. Updated to include new vocabulary such as fracking, hashtag, and selfie  
Main entries include a brief definition, a part-of-speech label, and inflected forms for fast, easy word validation. Ideal for recreational and school use. Endorsed by the North American SCRABBLE Players Association.
