It says right in the "read more" section of the item's information: "The 30 cards are a takeoff on the traditional tarot; they're divided into the Major Barkana and Minor Barkana. Each card offers advice for both canines and the humans in their lives. You don't have to be familiar with traditional tarot to use this deck. It is a witty and wise stand-alone oracle for anyone who has given up mastering the techniques of The Dog Whisperer." This is an oracle deck, not a full Tarot. This is a fun deck that is great for playing with your dogs with, and it's wonderful to pull a card to focus on throughout the day. My first card draw was surprisingly accurate. Whimsical

art, fun play deck. That's my opinion.4 of 4 people found the following review helpful. Cute IdeaBy Karen CI'm not really into using Tarot cards, but I thought it was a cute way to pass the time with friends. The artwork on the cards is fun to look at also. For anyone who knows how to use Tarot cards or who would like to play around with a Tarot deck, this one is a good quality. Who knows, there may be something to it if you can understand how to use them correctly.6 of 6 people found the following review helpful. Awesome!By Fran KollerBeing a dog lover and interested in Tarot I ordered a couple sets as gifts. The recipient of one deck was ecstatic, sharing my appreciation for the quality and content. The guidebook included with the deck is comprehensive and informative. Very well done! I ended up keeping the second set. Highly recommend to anyone.

Want to know why your dog shreds your slippers but ignores his designer toys? Does your pooch really want a puppy for companionship, or are you delusional? The Original Dog Tarot is an entertaining, tongue-in-jowl deck of tarot cards and accompanying book affectionately written for dog lovers who want to divine their canine's mind. The 30 cards are a takeoff on the traditional tarot; they're divided into the Major Barkana and Minor Barkana. Each card offers advice for both canines and the humans in their lives. You don't have to be familiar with traditional tarot to use this deck. It is a witty and wise stand-alone oracle for anyone who has given up mastering the techniques of The Dog Whisperer.
