From Ingramcontent : The Palgrave Handbook of Posthumanism in Film and Television before purchasing it in order to gage whether or not it would be worth my time, and all praised The Palgrave Handbook of Posthumanism in Film and Television:

What does popular culture's relationship with cyborgs, robots, vampires and zombies tell us about being human?

Insightful scholarly perspectives shine a light on how film and television evince and portray the philosophical roots, the social ramifications and the future visions of a posthumanist world.
