I cannot seem to get enough of them as they are easy but also challenging. Television can be boring many times so I dig in with one of my People Puzzler Books and I'm totally content to sit in a comfy chair and solve these games. Now that the snowy season is around the corner, I'll curl up near the roaring warm fireplace on my favorite chair, looking outside at the beautiful crisp white snow falling on the meadow, with a big mug of hot chocolate and marshmallows. Ahhhh I will enjoy solving these puzzles and games. It just doesn't get any better than that.0 of 0 people found the following review helpful. I get at least 2 new ones a year.

A puzzle book that includes celebrity-based puzzler crosswords, giant Jumbo Puzzlers, word searches and more.
