Need new ones!By Becky MooreI've done all these cross words and love them, how about doing some new ones?2 of 2 people found the following review helpful. CANNOT GET ENOUGH OF THESEBy DebbieI order about a half dozen of these at a time. Honestly, I just enjoy them. I especially love the JUMBO PUZZLERS as my eyes are not the same as they once were. Recently, I ordered six more. I did receive five books at this point, however the vendor was good enough to send me an email or two telling me the missing book will be in about the middle of October or shortly thereafter. That is perfectly fine with me as I have plenty to use for now. Sometimes I am pleasantly surprised and the back-ordered book(s) arrive on my doorstep earlier than scheduled.0 of 0 people found the following review helpful. I AM HOOKED ON THESE BOOKSBy DebbieOkay, I confess that I always seem to order several of these puzzler books at a time. Sometimes television can be too much and I would like a quiet area to relax in (with my puzzler books, of course). I LOVE the JUMBO edition

the best of all the People books.... so easy to read and I am hoping this company will send me emails every time a new one hits the shelves. I am thrilled at the fast service that I received getting this through the mail, especially where these past few months have very HEAVY mail delivery. The book was in perfect condition and was secured in a very nice package so it was not flopping around and easily to rip open. Would I buy from these good folks again? You bet your boots I will. Thank you for wonderful service.

The first boxed set from the popular PEOPLE Puzzler series contains over 250 pages of puzzlers and is sure to delight the legions of fans who made the first edition hit and who turn to the puzzler page of PEOPLE magazine each week.
