Vaclav Havel, Vladimir Moravek : The Pig, or Vaclav Havel's Hunt for a Pig (Havel Collection) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Pig, or Vaclav Havel's Hunt for a Pig (Havel Collection):

The Pig, or Vclav Havel's Hunt for a Pig was Havel's final theater piece, a shaggy-dog tale set at a pig roast and filled

with music. Vladimr Morvek took an old dialogue of Havel's, combined it with Smetana's *The Bartered Bride*, and the resulting collage comments both on Communist Czechoslovakia and the post-Communist Czech era. Also included is Havel's first ever one-act: *Ela, Hela, and the Hitch*. These plays, translated by Edward Einhorn, have never before been published in English translation. Part of the Havel Collection, a series of new translations of the work of Vclav Havel, from Theater 61 Press.
